

ROEDEAN

Pyrotec install, maintain and service all of our Fire alarm systems, emergency lighting and extinguishers here at Roedean.

I have always found the service they provide to be excellent. We have dedicated technicians who know the layout of the school well and need minimum supervision. The company is always willing to give advice without obligation, and is well aware when they do carry out works of the strict time restraints imposed.

Pyrotec have been under contract to us for the past three years I am confident that this contract will be renewed.
